First Year Preparatory | Test on Unit One | B

Marks: 30 | Time: 2 hours

4 Read the following text, then answer the questions:

Learning how to learn is one of the most important skills for students. Every person has a different learning style. The key is to find your own style that works. Good learners don't just memorize information. They understand it. They ask questions, take notes, and review regularly. Some students learn best by listening, others by reading or doing. I try to use different techniques every day. Visual learners often make maps and charts to organize information. I think learning is an exciting journey that never stops.

A) Choose the correct answer from a, b, c or d:

1. Good learners ..... information, they don't just memorize it.

A ignore B understand C forget D copy

2. Visual learners make maps and charts to ..... information.
